Dear Rotary Club of Mackay West Members,

It is with great pleasure that I congratulate the Rotary Club of Mackay West on reaching its 60th anniversary. I am looking forward to the opportunity of being able to celebrate this great achievement together with you.

I know that the members have devoted countless hours and tremendous effort to your club's activities and this is driven by a true sense of fellowship and purpose. Your club is a living example of "Service above Self". Your dedication to our great organization has indeed helped Rotary make the world a better place. When we work together to take action, not for ourselves but for the good of others, we achieve great things.

The success of a club depends on a number of factors, including a strong, active member base and a dedication to helping others. By reaching this milestone, your club has made a commitment to represent Rotary in your local community and to do good in the world through sustainable, meaningful service.

I hope you also see this anniversary as an opportunity to not only reflect on what your club has already accomplished, but to think of all that you can still achieve. As our new vision statement says:

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Congratulations once again on your 60 years, I know that you will continue to build on your club's great achievements in the years to come.
